## Internship Search Guide for Global & Public Health Sciences Majors

Check out the Career Exploration Center website for helpful tips and job search strategies: <https://hecec.human.cornell.edu/>

A requirement of the GPHS major is a supervised experiential learning component, which entails active and engaged learning in a laboratory or community setting chosen from a portfolio of pre-approved opportunities. For more information on how to fulfill this requirement, please visit: <https://www.human.cornell.edu/dns/academics/undergraduate/globalhealth/experiential>
